Print or Digital? We say both.

Digital magazines are not competing with print — they have their own, very solid place in the mix of marketing and communication campaigns. Digital publications are available on readers and phones, allowing for a different level of engagement that supports information bites, if you will, as opposed to the more immersive reading that happens with print. And readers have access to this digital content anytime, anywhere because most people are not far away from their mobile devices. Technology has enhanced the way we communicate with one another, find information and experience the world. And it has expanded the possibilities in publishing as well.

WHICH IS WHY ILLINOIS AUTOMOBILE DEALER NEWS IS PUBLISHED IN BOTH PRINT AND DIGITAL FORMATS.

Illinois Automobile Dealer News offers these value added services to help you reach your target audience:

- A digital version of the publication — pdf, “flipping book” and a true built-out digital version for SEO and social media sharing
- A magazine website with your company logo, linked to your website and housing a multiyear archive of the publication
- An additional email distribution of the publication, so IADA members and magazine readers will enjoy the benefits of both print and digital experiences
